

The **INDUSTRIAL** Choice!

Give yourself a boost with the new 3i[+]! Pure Water Technology's 3i[+] incorporates a fifth **BOOST** filter for the purest pH balanced and electrolyte enhanced water in the marketplace today. Your employees will thank you for keeping them hydrated, energized and strong.

Boost **Hydration**

Helps the body absorb water more easily, making it *extra hydrating*.

Boost **Energy**

Produces energy and regulates cardiovascular activity, helping employees get through an active work day.

Boost **Strength**

Supports bone structure and improves muscle function, resulting in stronger employees who are less susceptible to injury.
